TOPIC: Union Street Undercrossing Reopened

CONTACT: City of The Dalles Public Works Department (541) 296-5401

FOR RELEASE: IMMEDIATELY

The flood waters have receded from the Union Street Undercrossing. Thank you for your patience during the recent road closure.

The Union Street Undercrossing has been reopened to all traffic.

However, more rain is forecast Friday June 5 through Monday June 8, 2020. If there is significant rainfall upriver the Army Corps of Engineers must release more water through The Dalles Dam which could flood the undercrossing again.

The Union Street Undercrossing closure is a normal occurrence during the spring water runoff season.

For questions or concerns, please contact the Public Works Department at (541) 296-5401.
